Term 2

Autumn 2019

## What will we be learning about?

Dear Mums, Dads and Carers,

Welcome back! We hope that you all had a half term break and are ready for the term ahead.

This term our topic will be *Cool Vibrations*. We will be learning about many things such as: music from around the world and how our bodies allow us to hear sounds.

Our other units of study this term will be:

- Science - sound
- English - Our writing will be inspired by information texts and we will be writing letters and reports.
- Maths - measurement and the four operations
- RE - Christianity and right and wrong
- Art/DT - making musical instruments
- Class Texts: we will be looking at a variety of non-fiction texts

## Reading, Spellings and Homework

Reading is an essential part of the curriculum and if practised regularly allows the children to make progress in all areas of their learning. We will be checking the children's contact books every day, so please ensure the children have these with them each day.

If the children read at least 3 times a week they will receive bonus house points. Please note, the children will only receive bonus house points if their book has been signed by an adult.

Spellings will be sent home each Friday and the children will be tested the following Friday.

We have loved seeing all the home learning that has been bought last term, well done and keep it up this term!

## Important Dates

Harry Potter week	W/C 28/10/19
Spelling Tests	1/11/19
	8/11/19
	15/11/19
	22/11/19
	29/11/19
	6/1/19
	13/1/19

## PE

PE sessions will be on **Tuesday and Thursday** each week. Please have full kit in school at all times and remove earrings on the day if children cannot do this for themselves.

We would hate for anyone to miss out on these sessions due to not having the correct kit!
