

SECONDARY TRANSITION 2020-2021

Normally each school would visit your child to talk about secondary life and answer any queries or questions they may have but because of the pandemic this may not be possible so we have put together information that may be of use to you.

We would like to let you know that secondary schools are placing information on their school's website which may ease some of the concerns and queries that you or your child may have. Alternatively you could contact the new school.
