

Kent Test (11+)

Registration for the Kent Test 2021 (Grammar school place in 2022)

If your child is currently in Year 5 and you want to apply for a Year 7 place at a Kent grammar school in 2022, you can register your child in June 2021.

The test assesses whether grammar school is a suitable option for your child. Before you register you can message your child's teacher through the Class Dojo Learning Platform to see if the test and grammar school is right for them. If your child is not working at or above their expected levels for their age, we do not recommend they take the test.

In order to take the Kent Test you will need to register. **Registration will open on 1st June and close at midnight on 1 July 2020.** Please ensure that you register at www.kent.gov.uk/ola.
